How to Live Comfortably for Several Years in a Hostile Wilderness Environment Robert Wayne Atkins P.E.
This is the book that is mentioned on the NEW "grandpappy.org" hard times survival website. This book does NOT discuss basic camping techniques. This book does NOT discuss primitive woodcraft skills. This book assumes you intentionally drive a fully loaded vehicle into the woods with the intention of living there for an extended period of time, and that you wish to live a relatively normal life in the wilderness using some of the technology of modern civilization. The following major topics are systematically discussed in this book: (1) How to select a suitable wilderness environment. (2) A complete list of the items you should purchase and take with you, including specific firearm and knife recommendations. (3) How to replenish your water and your food from nature, and some practical cooking options in a wilderness environment. (4) Some unique shelter alternatives for long-term wilderness survival. (5) Some electrical power options for a wilderness shelter, including solar panels, a small portable DVD player, a shortwave radio, and a small microwave oven. (6) Some practical strategies for long-term wilderness survival.
