Master Edition: The War of the Rebellion a Compilation of the Official Records of the Union and Confederate Armies (Official Records of the Civil War) Two DVD Set
The Master Edition of The War of the Rebellion is the result of two years effort creating a two DVD product that contains the entire 128 Volumes of the Official Records (OR) in both searchable and page perfect presentation.

In this edition, every page looks exactly as it would if you opened a physical book. That means that all the images, tables and indexes are properly organized and easily readable - something that doesn't exist in most digital versions of the OR. In most instances, the tables have been all jumbled by the process to convert the books to text - and any images are completely gone - but that is not the case in the Master Edition. (You can see some samples in the images above.)

So if you are looking for a picture perfect OR at a fraction of the cost of purchasing a text set, this is the collection you have been waiting for.

This DVD set runs on all Windows and Macintosh computers. You must have a web browser and Adobe Acrobat Reader - (available for free download if you do not have it installed on your computer.) The book index is organized in an HTML menu that is compatible with all browsers and the books themselves are in PDF format to allow them to be universally accessed. The books on this DVD are searchable and all are printable.
