Jen is excited to see her two best friends from high school at the ten year reunion, but she wonders how it will be to see Blake and Ben again for the first time since they graduated. When she gets there the boys are flirty—with each other and Jen—and seem riled up.

One of her peers she'd been friendly with asks if the trio had ever had a threesome in high school which makes Jen wonder why they hadn't, considering how the men are acting and how much she likes their attention. When the trio lose interest in the party, they head out into the woods behind the event center for some privacy, and end up getting lost on their nature hike.

After an unexpected turn of events, the three act on new impulses that seem like they could be from long ago.
