The Quilter's Legacy: An Elm Creek Quilts Novel (The Elm Creek Quilts) Jennifer Chiaverini
When precious heirloom quilts hand-stitched by her mother turn up missing from the attic of Elm Creek Manor, Sylvia Bergstrom Compson resolves to find them. From scant resources-journal entries, receipts, and her own fading memories-she pieces together clues, then queries quilting friends from around the world. When dozens of leads arrive via the Internet, Sylvia and her fiance, Andrew, embark on a nationwide investigation of antique shops and quilt museums.

Sylvia's quest leads her to unexpected places, where offers of assistance are not always what they seem. As the search continues, revelations surface about her mother, who died when Sylvia was only a child. Burdened with poor health and distant parents, Eleanor Lockwood defies her family by marrying for love. Far from her Manhattan home, she embraces her new life among the Bergstroms-but although warmth and affection surround Eleanor at last, the Bergstroms cannot escape the tragedies of their times.

As Sylvia recovers some of the missing quilts and accepts others as lost forever, she reflects on the woman her mother was, and mourns the woman she never knew. For every woman who has yearned to know the untold story of her mother's life, and for every mother who has longed to be heard, THE QUILTER'S LEGACY will resonate with heartfelt honesty as it reveals what tenuous connections bind the generations, and celebrates the love that sustains them.
