Ave Diabolos: Homosexuality As Mystical Experience ... And Other Esoteric Investigations Into Mankind's Spiritual Renaissance Erace Lestis
"Ave Diabolos" aims to demonstrate that the phenomenal increase of male homosexuality (the 'Sin of Sodom'); sexual ambivalence in men and the emancipation of women, are linked to the extraordinary leap of consciousness that humanity as a whole is undergoing in the present historical moment. Some of the issues presented:* The 'Galactic Alignment' of 2012: the new world's age that many ancient prophecies foresaw as beginning now... it has indeed begun, triggering devastating climate changes and geological upheavals;* New phenomena: spiritual beings visiting the earth & crop circles; 'spheres of light' travelling at supersonic speed and collective ascension into the numinous 'interstellar ether'; clairvoyance and new senses of perception (etheric vision); the coming of the 'Celestial Self'.* Male-male love as a "beautiful way" in ancient times and the mystical-inziatic-esoteric aspects of the Gay Eros;* The meaning of 'Evil' and the function of 'pleasure' from a spiritual growth perspective and much ... much more.
