Commitments: A Novel Barbara Delinsky

Available as an e-book for the first time, *New York Times* bestselling author Barbara Delinsky's classic novel, *Commitments*, about the ties that bind and the love that remains.

Sabrina Stone is struggling to be a good mother and to do what's best for her young, handicapped son. When she meets investigative reporter Derek McGill, who's doing a feature story about special-needs children, Sabrina is immediately struck by his tenderness toward Nicky…and an attraction between her and Derek that cannot be denied. Three months after their fateful first visit, Sabrina learns that Derek has been convicted of murder. He swears he's innocent, but Derek ends up in prison all the same.

Meanwhile, Sabrina's marriage is on the rocks. Her husband, Nicholas, is in denial about their child's diagnosis—and is unable to comfort Sabrina in any meaningful way. Against her better judgment, Sabrina reaches out to the one person who seems to understand her: Derek. But how far will Sabrina go to maintain a connection with a man behind bars? As their relationship escalates—and she experiences a passion she has never known—Sabrina finds herself willing to do whatever it takes to save Derek…and herself. But is their commitment worth the risk?

Jane Pelley:

As a scholar exactly feel bored to be able to reading. If their teacher requested them to go to the library in order to make summary for some e-book, they are complained. Just small students that has reading's spirit or real their passion. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring as well as can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Commitments: A Novel can make you feel more interested to read.
