It was, by far, the worst school announcement in the history of forever.

I'm sure you've heard of snow days. Every kid who has ever spent more than five minutes in school dreams of monster snowstorms, and the slim chance that school will be cancelled.

Well, hold onto your hat, because Hogwaller Middle School is about to be hit with the storm of the century. Only this time, instead of being trapped at home, Erwin Graham and all his buddies are trapped at school.

• Will Erwin survive being stuck at school over the holidays?
• How will his teacher keep all the 6th graders busy?
• Where will the kids sleep, and what will they eat?

There's no escape from Hogwaller Middle School.

This chapter book for kids includes everything you love to hate about middle school: a mean principal, an ugly bully, smart girls, a confused teacher, and of course, cafeteria food.
