Diana J. Ewing

The Baby Boomers' Guide to Grandparenting: An Irreverent Look at the Next Big Step Diana J. Ewing Leave it to baby boomers, the original youth culture, to turn into the coolest grammies and grampies ever. With its humorous look at where boomers have been and where they are going as grandparents, this book is an over-the-top combination of boomer history, pop culture then and now, the foibles of aging, and the ups and downs of life in Grandparentland. Amid the playful and fast-paced prose--including trivia quizzes and puzzles, entertaining granecdotes, and much more--readers will find a little insight here, a little wisdom there, and some wry observations on life. It's the most fun boomer grandparents can have without their grandchildren.
