Amber Frost (The Lost Magic) Suzi Davis
Grace Lynn Stevenson is an eighteen year old girl who recently moved with her wealthy, but busy parents to a new city. She's popular, pretty and rich - what more could a girl want? But deep down, she's sad, lonely and plagued by nightmares. When she meets Sebastian Caldwood at her new private school, she's inexplicably drawn to him and his strange tattoos. Sebastian always gets what he wants - he simply has to wish it; but he's fighting his own inner demons, and struggling to remember a past that eludes him. When he remembers that he is much older than he looks, he realizes that he's seen many people live and die, including Grace. Once Sebastian realizes his true nature and finds what he has been searching for the past hundreds of years, he also realizes that it is now up to him to protect Grace from the dangers that have plagued them throughout eternity.
