Buy Your Way To Riches: Winning The Game Of Wealth D Peterson
A Secret Technique to Get Rich. It defies the law of saving money and puts a new twist in wealth building and wealth management. The more you buy, the richer you get!

Are you a shopaholic? Do you love buying things? Wish you could grow your savings account and not worry about
cutting back on your impulse shopping? Well, this book will help you achieve all these things, and more, through an uncommon approach to building wealth.

The first step in getting rich is to improve your fiscal situations, but this first step shouldn't be the hardest ones to
overcome, the hardest part to overcome in my opinion should be deciding what to do with all your riches. You can literally start to buy your way with a little as $5! And with a little patience, anyone can amass a fortune in their savings account and finally have the financial freedom to grow and invest it.

I’m going to show you how exactly you’re going to buy your way to riches and grow your saving account in a way you've been conditioned not to do! Do you still believe rich people buy assets, poor people buy things or is it the other way around?
