Frozen (Taken)

Erin Bowman

Frozen (Taken) Erin Bowman

The second book in Erin Bowman's gripping Taken trilogy, *Frozen*, will thrill fans of dystopian sci-fi series like Michael Grant's Gone and James Dashner's The Maze Runner.

Gray Weathersby has escaped Claysoot and uncovered the truth behind the Laicos Project and the Order's twisted plans. Determined to fight back, his small group of rebels is on the hunt for more answers and more allies—a search that will take them on a harrowing journey across a frozen wasteland, and even deeper into a world built on the Order's lies.

In *Frozen*, discover more of the nonstop action and riveting plot twists that made Marie Lu, *New York Times* bestselling author of the Legend trilogy, call *Taken* "an action-packed thrill ride from beginning to end."
