Introducing Physical Geography Alan H. Strahler, Arthur Strahler
Put Yourself in the Picture with Our Visualization CD-ROM Studying geography is now easier than ever before with the help of the Visualization 2.0 CD-ROM. The upgraded version of this innovative software, included with this text, includes new animation and graphics that will greatly enhance your understanding of the material presented in the book. You'll be able to learn at your own pace, receive immediate feedback, and repeat demonstrations. The Visualization CD-ROM:
* Enables a better understanding of concepts and processes that are important in this course of study, such as the relationship of earth and sun, the development of storms, and the patterns of climate, soils and vegetation.
* Complements the textbook with animations and movies for key topics.
* Contains a gallery of over 300 captioned photos as well as over 300 illustrations taken from the text.
* Gives convenient access to many of the same drawings, diagrams, animations and movies that your instructor will use in the classroom.
With the purchase of this book, you'll also be given a password that provides free access to the On-Line Student Companion on the web. This comprehensive study guide lets you take practice quizzes and receive immediate results, run tutorials for selected topics and surf to other relevant web sites. By using the study guide and CD-ROM, you'll begin to understand the world in a whole new way!

From reader reviews:

Raymond Albanese:

Information is provisions for those to get better life, information today can get by anyone at everywhere. The information can be a knowledge or any news even a concern. What people must be consider if those information which is from the former life are challenging be find than now's taking seriously which one would work to believe or which one often the resource are convinced. If you obtain the unstable resource then you obtain it as your main information you will have huge disadvantage for you. All of those possibilities will not happen with you if you take Introducing Physical Geography as your daily resource information.

Lawrence Fox:

Playing with family in a very park, coming to see the ocean world or hanging out with good friends is thing that usually you have done when you have spare time, in that case why you don't try factor that really opposite from that. One particular activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love Introducing Physical Geography, you could enjoy both. It is good combination right, you still would like to miss it? What kind of hang-out type is it? Oh come on its mind hangout people. What? Still don't obtain it, oh come on its called reading friends.

Marvin Ober:

Many people spending their time period by playing outside with friends, fun activity along with family or just watching TV 24 hours a day. You can have new activity to shell out your whole day by studying a book. Ugh, think reading a book can really hard because you have to bring the book everywhere? It all right you can have the e-book, bringing everywhere you want in your Touch screen phone. Like Introducing Physical Geography which is having the e-book version. So , why not try out this book? Let's view.

Teresa White:

Some individuals said that they feel fed up when they reading a guide. They are directly felt the idea when they get a half regions of the book. You can choose often the book Introducing Physical Geography to make your reading is interesting. Your personal skill of reading proficiency is developing when you including reading. Try to choose straightforward book to make you enjoy to read it and mingle the idea about book and studying especially. It is to be 1st opinion for you to like to available a book and study it. Beside that the book Introducing Physical Geography can to be a newly purchased friend when you're really feel alone and confuse using what must you're doing of the time.
