Jesus Didn't Fit In: Raising Nontraditional Children Janet L. Jackson
Why do so many adults today struggle trying to fit in when it comes to their careers and relationships? Why do so many of us think we do not measure up? Measure up to what and according to whose expectations? Could these feelings stem from childhood? Could parents inadvertently be instilling these thoughts in our children, due to some unwritten rule of what is normal or traditional? Jesus' life portrays an excellent example of accepting oneself and others as unique children of God created for a purpose. This book will encourage parents of children who have struggled with "fitting in" to embrace their uniqueness and trust Christ instead of the world.
