Surviving America's Military High School Kimberly McRae, Keith A McRae
Every year thousands of teens begin their new life as a cadet in military high schools. These boarding schools provide them with a great foundation to build upon for their college days and into their adult lives. Often these teens arrive at school apprehensive due to a lack of understanding on what they will experience. What if a book could help ease their transition into military high school? A book with practical guidance on military drill, preparing for inspections, and personal development was born: Surviving America's Military High School. Inside the covers of this great book, the new cadet will have a wealth of information at their fingertips from understanding leadership to preparing for college. New cadets can learn how to make a hospital corner, shine their shoes, or get practical advice on studying. Making the transition from public school student to military high school cadet could not be easier with this book as your guide.
