A Cowboy's Random Thoughts With and With out the Tequila: A Cowboy's Random Thoughts With and With out the Tequila Mr Bob S Dytko
This book will make you laugh, shed a tear, and maybe start, help or save a relationship. This book will make you think, daydream over a picture, or if you're lucky it will make you want to roll your eyes. It has a little of everything. We know you will like it enough to share with a friend. Crystal and I decided to turn beer talk into reality. Beer talk is when you hangout around a fire pit or at a kitchen table and jabber about what you want to do with your life until you get so excited that you can actually see it in front of you. So we planned how we wanted the book to turn out and created "A Cowboy's Random Thoughts with or without the Tequila." All I am saying is if you want to watch a dream come true, have a beer while sitting around a fire pit. Just decide you are gong to make to happen and do it.
