Dead Man's Hand Luke Murphy
What happens when the deck is stacked against you…

From NFL rising-star prospect to wanted fugitive, Calvin Watters is a sadistic African-American Las Vegas debt-collector framed by a murderer who, like the Vegas Police, finds him to be the perfect fall-guy.

…and the cards don't fall your way?

When the brutal slaying of a prominent casino owner is followed by the murder of a well-known bookie, Detective Dale Dayton is thrown into the middle of a highly political case and leads the largest homicide investigation in Vegas in the last twelve years.

What if you're dealt a Dead Man's Hand?

Against his superiors and better judgment, Dayton is willing to give Calvin one last chance. To redeem himself, Calvin must prove his innocence by finding the real killer, while avoiding the LVMPD, as well as protect the woman he loves from a professional assassin hired to silence them.
