Taming the Beast

Once upon a time, Mercedes ‘Mercy’ Hernandez had the most enormous crush on her best friend’s older brother, Seb Madison. Now, though, she can’t stand the beast. Forget that he’s as spine-tinglingly gorgeous as ever. He’s a lousy brother and a manipulative bastard, not that she ever thinks about that disastrous one night stand they once had…

Still riddled with guilt over the death of his parents, billionaire loner Seb Madison has spent so long emotionally shut off that when beautiful, fiery Mercy bursts into his life again, he doesn’t know what’s hit him. All he knows is that she confuses him and he doesn’t like it.

Yet their chemistry hasn’t faded and, when hostility turns to attraction, a no-strings affair seems the logical solution. Mercy’s taking a much needed break from her family’s Argentinian vineyard to study for an MBA and Seb doesn’t do relationships. Neither have either the time or inclination for anything other than weekends-only red-hot sex. Or do they…?

Seduced by the Baron

Once upon a time, Faith Sullivan dreamed of being a famous painter who lived in an apartment overlooking Central Park. Unfortunately, life had other ideas and at 26, she’s still running, working and living at Sully’s, her family’s traditional Irish pub in Brooklyn with her stubborn, ailing father. And she was perfectly fine with her lot until suddenly her three best friends each found their prince, and her own happily ever after seemed like another dream lost. Until one day a long, tall Australian walks into her bar and her loved-up besties decided to play Fairy Godmothers.

Ex pro-surfer turned beer baron, Rafael Quartermaine is in New York for a month on business. He’s looking for a pub to launch Baron lager on the American market and Sully’s is perfect. All he has to do is convince Faith, the traditionalist, to say yes. And once he’s done that, maybe he can convince her that all work and no play makes Faith a dull girl.

Faith’s connection to her family and Sully’s is absolute, and Raf’s business drive and itchy feet aren’t conducive to long term, so it should be an easy break when duty calls Faith back into the fold on the evening of the ball. But running out on the baron is harder than she ever imagined… Will their fling sizzle out, or become something more?
