Hellmaw: Eye of Glass Vol.5 Marie Bilodeau

Following a slight misfire with a prank (on a cop, involving herself as the dead body), Jaeda finds herself confined to a small room, with only a TV as company. Relaxing will help her regenerate her mostly missing body, but that's entirely too boring for her liking. Besides, she has better things to do with her time, like becoming a model. | But when her guardian and keeper vanishes, Jaeda has to move quickly to avoid capture and save herself, her guardian, and her new human pets. Regenerating will simply have to wait. | Eye of Glass is the first of installment in the Bodyless series, new from Hellmaw!
