Revenge Edward Kendrick
When Jared's brother Danny is murdered, Jared is the only suspect. The reason? While the murder happens, he's in the hands of unknown kidnappers. Since the police don't believe his alibi and he has no proof it happened, he goes on the run. When he meets Lang, an ex-cop, the man offers to help Jared find both the reason for Danny's murder and the men who committed it. They discover that Danny had apparently been blackmailing some very prominent people, three of whom become prime suspects in his death. But is he indeed the blackmailer or is there a second party involved? With the help of Lang's computer whiz sister, the two men set out to discover the answers while dealing with their growing attraction to each other. The question becomes, will they survive long enough to act on their feelings, or will they become the killers' next victims?
