The Greatest Lie Ever Told W. H. Uffington
Jews, Christians and Muslims have been grossly mislead about their religions. All three were perverted from their shared origins, by politics, avarice and greed. The greatest of these perversions is Christianity. Academics knew the truth but dared not publish it. Church leaders knew the truth about Jesus but lied to hide it. They know that Christianity is one of many monotheistic religions based on an identical theme and they carried out a ruthless and bloodthirsty campaign which has failed to eradicate the truth. The Greatest Lie Ever Told takes the reader on a historical voyage, using wit and logic to reveal the evidence of research that no one wanted you to see. The author proves his allegations, presents truth not speculation and shows where the future path of the Church must lie. The Greatest Lie Ever Told isn't some vague conjecture, it is a fact.
