NOTE: This edition has a linked "Table of Contents" and has been beautifully formatted (searchable and interlinked) to work on your Amazon e-book reader, Amazon Desktop Reader, your iPad/iPhone ebook reader and any other device that carries the Amazon app.

The "Palliser Chronicles Collection" is a series of six novels by English author Anthony Trollope. In 1974 the BBC adapted the Palliser novels as a twenty-six part serial "The Pallisers."

The beautifully-written epic saga concerns the wealthy aristocrat and politician Plantagenet Palliser and his wife Lady Glencora. The plots involve love, murder, ambition, and English politics in varying degrees, specifically in and around Parliament.

Included in this volume:
Book One: Can You Forgive Her? - Alice Vavasor cannot decide whether to marry her ambitious but violent cousin George or the upright and gentlemanly John Grey - and finds herself accepting and rejecting each of them in turn. Increasingly confused about her own feelings and unable to forgive herself for such vacillation, her situation is contrasted with that of her friend Lady Glencora - forced to marry the rising politician Plantagenet Palliser in order to prevent the worthless Burgo Fitzgerald from wasting her vast fortune...

Book Two: Phineas Finn - Struggling to make his mark among gentlemen and to find a suitably rich and well connected wife, Phineas is an attractive, ambitious and adaptable young Irishman. In a time of radical political agitation, his story reveals both the splendour and absurdity of parliamentary proceedings, the sloganeering, jockeying for position and inevitable compromises of the party system.

Book Three: The Eustace Diamonds - Following the death of her husband Sir Florian, beautiful Lizzie Eustace mysteriously comes into possession of a hugely expensive diamond necklace. She maintains it was a gift from her husband, but the Eustace lawyers insist she give it up, and while her cousin Frank takes her side, her new lover Lord Fawn states that he will only marry her if the necklace is surrendered...

Book Four: Phineas Redux - In the fourth of the 'Palliser' stories, Trollope follows Phineas Finn's return to the dangerous world of Westminster politics. When his political rival is murdered, Phineas is thrown under suspicion and eventually finds himself standing trial at the Old Bailey. The situation is complicated by the presence of two women in his life: his old flame Lady Laura, whose estranged husband is determined to destroy Phineas's reputation, and the wealthy and enimgatic widow, Madame Max….

Book Five: The Prime Minister - Plantaganet Palliser, Prime Minister of England - a man of power and prestige, with all the breeding and inherited wealth that goes with it - is appalled at the inexorable rise of Ferdinand Lopez. An exotic impostor, seemingly from nowhere, Lopez has society at his feet, while well-connected ladies vie with each other to exert influence on his behalf - even Palliser's own wife, Lady Glencora. But when the interloper makes a socially advantageous marriage, Palliser must decide whether to stand by his wife's support for Lopez in a by-election or leave him to face exposure as a fortune-hunting adventurer. A novel of social, sexual and domestic politics...

Book Six: The Duke's Children - Plantagenet Palliser, the Duke of Omnium and former Prime Minister of England, is widowed and wracked by grief. Struggling to adapt to life without his beloved Lady Glencora, he works hard to guide and support his three adult children. Palliser soon discovers, however, that his own plans for them are very different from their desires. Sent down from university in disgrace, his two sons quickly begin to run up gambling debts. His only daughter, meanwhile, longs passionately to marry the poor son of a county squire against her father’s will….

These are wonderful, well-written thrilling and vigorous novels!
