Dangerous Calling: Confronting the Unique Challenges of Pastoral Ministry Paul David Tripp

After traveling the globe and speaking to thousands of churches worldwide, Paul David Tripp has discovered a serious problem within pastoral culture.

He is not only concerned about the spiritual life of the pastor, but also with the very community of people that trains him, calls him, relates to him, and restores him if necessary.

Dangerous Calling reveals the truth that the culture surrounding our pastors is spiritually unhealthy—an environment that actively undermines the wellbeing and efficacy of our church leaders and thus the entire church body.

Here is a book that both diagnoses and offers cures for issues that impact every member and church leader, and gives solid strategies for fighting the all-important war that rages in our churches today.
