Group Supervision: A Guide to Creative Practice (Counselling Supervision series) Brigid Proctor `This much-awaited book makes a welcome entry into the rather sparse British literature on group supervision' -***Counselling at Work***

`This is a welcome addition to the literature on Counselling Supervision. I found it especially stimulating having used various models of Group Supervision as a Senior Probation Officer, and now using it in Listening Post. In both examples the method did not replace individual supervision, but greatly enhanced it....I thank Brigid Proctor for her guidleines for good practice and stimulating ideas for using the potential of groupwork within the supervision process, and recognise it as a really valuable "Sage-like" contribution' - ***ACCORD***
