Marxism and Education: Renewing the Dialogue, Pedagogy, and Culture P. Jones
Marxist thinking can offer a critical understanding of education in an international context. Jones tackles these issues from a variety of angles and perspectives, taking advantage of recent theoretical innovations in Marxist analysis as well as the personal experiences of educational practitioners with Marxist commitments. With a specific focus on pedagogical practices as cultural practices, this book combines detailed case studies of local situations with broad, critical overviews of global development and challenges.
