Political Suicide

Michael Palmer

Political Suicide Michael Palmer

A physician accused of murder. A massive cover-up. An entire nation at risk…In *Political Suicide*, *New York Times* bestselling author Michael Palmer once again delivers a stunning page-turner set at the crossroads of politics, the military, and medical science.

Dr. Gary McHugh, known around Washington, D.C. as the "society doc," calls his longtime friend Dr. Lou Welcome in a state of panic. A patient of his, Chairman of the House Armed Services Committee Elias Colston, has been found shot to death in his home?soon after McHugh paid him a visit.

"OUTSTANDING"?*Suspense Magazine*

Did McHugh kill Colston? He has no recollection of committing a crime because, later that same night, McHugh wrecked his car in an alcoholic stupor. As more facts come to light, Lou has serious doubts about his friend's innocence. But something about McHugh's story still doesn't add up…and soon a shocking truth is revealed.

"Plenty of chills and spills."?*Kirkus Reviews*

With the help of Sarah Cooper, an ambitious attorney with her own reasons for mistrusting doctors, Lou enters a dangerous game of cat and mouse and finds himself at the dead center of a conspiracy?one that extends to the highest levels of government, and could destroy the very fabric of national security.

***"*Palmer writes terrific medical suspense, and he has thrown political intrigue into the mix."?Associated Press**

From reader reviews:

Dorothy Whisler:

Nowadays reading books be than want or need but also become a life style. This reading habit give you lot of advantages. The benefits you got of course the knowledge the particular information inside the book this improve your knowledge and information. The info you get based on what kind of publication you read, if you want get more knowledge just go with education and learning books but if you want really feel happy read one together with theme for entertaining for example comic or novel. Often the Political Suicide is kind of reserve which is giving the reader unstable experience.

Adam Sea:

Do you have something that that suits you such as book? The reserve lovers usually prefer to select book like comic, short story and the biggest an example may be novel. Now, why not seeking Political Suicide that give your pleasure preference will be satisfied through reading this book. Reading practice all over the world can be said as the way for people to know world a great deal better then how they react toward the world. It can't be claimed constantly that reading practice only for the geeky man or woman but for all of you who wants to be success person. So , for all you who want to start reading as your good habit, you can pick Political Suicide become your own personal starter.

Athena Thornton:

A lot of publication has printed but it is unique. You can get it by internet on social media. You can choose the most effective book for you, science, witty, novel, or whatever simply by searching from it. It is called of book Political Suicide. You can contribute your knowledge by it. Without making the printed book, it could possibly add your knowledge and make anyone happier to read. It is most important that, you must aware about reserve. It can bring you from one location to other place.

Clara Gay:

Many people said that they feel bored when they reading a guide. They are directly felt it when they get a half regions of the book. You can choose often the book Political Suicide to make your reading is interesting. Your own personal skill of reading ability is developing when you such as reading. Try to choose basic book to make you enjoy to learn it and mingle the opinion about book and studying especially. It is to be 1st opinion for you to like to start a book and study it. Beside that the book Political Suicide can to be your brand new friend when you're experience alone and confuse in doing what must you're doing of their time.
