PSALMS: KING JAMES VERSION, Verse It:All Edition Various
The idea behind the VERSE IT:ALL™ Bible began over coffee following a missed trip to church. We were new in town and visiting different churches looking for our niche. Traveling from church to church, Sunday after Sunday, we noticed something interesting. Many parishioners followed along with the sermon, not from the hardcover Bible in the pews, but rather on their phones or tablets. One Sunday, we decided to download a free Bible for our eReader. We were running late and did not review the Bible before leaving for church. Upon arrival, we discovered the service was moved up an hour. So instead, we decided to grab some coffee and read a verse or two on our own. We took our seats at a local coffee house, turned on our eReader, and were immediately surprised at how hard it was to find anything. The free download was hard to navigate, hard to search, just plain hard to use. If we had tried to use it during a service we would still be searching long after coffee and donuts concluded. As eBook designers, we decided to build a better product for ourselves and others.

The VERSE IT:ALL™ Bible provides the lightning fast navigation of VERSE IT:ALL™ in a classic and beloved Bible translation. With around 70,000 unique hyperlinks, finding Bible verses on your eReader, tablet, or phone during church services or Bible study has never been easier. You can navigate to a specific book, chapter and verse quickly and easily. Finding passages with a VERSE IT:ALL™ Bible can be done with 4 clicks or less. Say good-bye to scrolling and slow typed searches. The VERSE IT:ALL™ innovative indexing and linking approach makes it easy to find verses without missing a beat.
