The Queen's Thief Series (4 books)

Megan Whalen Turner

The Queen's Thief Series (4 books) Megan Whalen Turner
Nothing is overdone and not a word is out of place in this auspicious debut," wrote Kirkus in a starred review of Instead of Three Wishes, the first book by Megan Whalen Turner. Her second book more than fulfills that promise. The king's scholar, the magus, believes he knows the site of an ancient treasure. To attain it for his king, he needs a skillful thief, and he selects Gen from the king's prison. The magus is interested only in the theif's abilities. What Gen is interested in is anyone's guess. Their journey toward the treasure is both dangerous and difficult, lightened only imperceptibly by the tales they tell of the old gods and goddesses. Megan Whalen Turner weaves Gen's stories and Gen's story together with style and verve in a novel that is filled with intrigue, adventure, and surprise.
