Women on Top

Nancy Friday

Women on Top Nancy Friday
More than ever before, women everywhere are devouring the hottest stories from behind closed doors, tales of sexual encounters designed to create new frissons of excitement with each turn of the page. But the fantasies in this book aren't fiction. They are the real erotic imaginings of real women . . . and nothing is more exciting than that.

Nancy Friday, whose collections of women's sexual fantasies include *My Secret Garden* and *Forbidden Flowers*, offers up "a smorgasbord of sensual scenarios" (*New Women*) in this explicit *New York Times* bestseller that puts women in control of their sexual destinies. Nearly two hundred women contributed, in their own uncensored words and through interviews with the author, the shocking, daring, amusing, untamed, and pulse-pounding imaginings that turn them on the most. "The fantasies are fascinating," raves *Esquire* magazine, no doubt because unlike anything any novel could ever truly capture, they allow open access to what women *really* desire.
