Truth, they say, is stranger than fiction and so it is with Alternative 3.

A television documentary broadcast nearly 40 years ago followed by the book Alternative 3 - a book so many wanted suppressed. The programme revealed that Earth was doomed, mankind faced destruction - Mass panic followed. The evidence....

After announcing to the world that Alternative 3 was not true, the author wrote, "I have reason to suppose that my home telephone was being tapped and my contacts who were experienced in such matters were convinced that certain intelligence agencies considered that I probably knew too much." By then he'd emigrated to the far side of the world, moving between several continents.
Republished four decades later Alternative 3 is a detective story revealing a terrifying conspiracy. Inspiration for Frank Jacob's 2015 feature film 'Packing for Mars'.

But is it true? Did a veteran newspaper journalist with years of experience have such a vivid imagination or was he got at, forced to disclaim the truth that is Alternative 3.*Download Alternative 3 today and learn the truth about the conspiracy.*
