Barack Hussein Obama, The Unauthorized Diary of a Muslim President

Martin Reott, Patricia Reott

Barack Hussein Obama, The Unauthorized Diary of a Muslim President Martin Reott, Patricia Reott **"Barack Hussein Obama,The Unauthorized Diary of a Muslim President"**, takes a hard look at how Barack Hussein Obama is aiding and abetting Islamic supremacists to *"destroy America from within, by our own hands"*. The book reveals the lie behind the phrase *"Islam is a religion of peace"*. Obama's *"fundamental transformation"* of the USA is revealed to be the destruction of the U.S. Constitution and the total elimination of the rights and freedoms Americans have lived with for over 200 years. **"Barack Hussein Obama, The Unauthorized Diary of a Muslim President"** reveals an all-encompassing conspiracy to: • Destroy the balance of power between the three divisions of the federal government, by illegitimately usurping power from the Supreme Court and Congress, and bolstering the powers of the Presidency to never-before-heard-of levels. • Allow infiltration into the highest levels of government by communists, socialists and Muslim extremists, including into positions of national security and defense. • Create massive and bitter divisions between all segments of our society. Rich, poor and middle class are pitted against each other. Divisions along racial, ethnic and gender lines are the worst they've been in years. • Secretly give away the sovereignty of the United States to the United Nations, or some other One-World-Government. • Grow the federal government so far and so fast that State's right are being left in the dust, as are parental rights and the family as a whole. • Encourage illegal immigration of Muslim jihadist activists and weapons through our borders, while using the Department of Justice to STOP individual states from protecting their own borders. • Allow Muslim supremacists to dictate to our law enforcement agencies what they can and can't say in their training. The divisiveness and rage among groups of citizens that is being fostered and encouraged by this administration simply makes us more vulnerable to attack from outside forces. And when those outside forces have already successfully infiltrated our own government, with the tacit approval of Barack Obama, we can see that a fuse is waiting to be lit. When the explosion occurs, America as we know it will be devastated unless Americans become informed in time and unite to stop the destruction of the USA as a sovereign nation. Why would Democrats claim a phony **"War on Women"**, instead of publicizing the REAL War on Women being waged by Muslims? Why have Americans been told by this administration that the **"War on Terror"** is over when terrorists are continuing to plot our overthrow by violence and stealth? Why is so much information about Barack Hussein Obama still unavailable for inspection, four years after the election? Did Obama go to Harvard? Where are the grades? Where is the birth certificate? Is Obama's grandmother in Kenya just a confused old lady? Can Obama be a Muslim and a communist? What exactly does *"fundamental transformation"* mean? These questions and more are answered in **"Barack Hussein Obama The Muslim President, The Unauthorized Diary of a Muslim President"**, which was written for families, neighbors and all patriotic Americans. It's time to wake up, become informed, join forces with like-minded citizens, and take action to save our great nation. God Bless America! **"Barack Hussein Obama, The Unauthorized Diary of a Muslim President"** is full of high-level information presented in plain speech. It also contains some common sense, practical ways of interpreting what a *"fundamental transformation"* of the USA really means to our Liar-in-Chief, Barack Hussein Obama.
