ROMANCE: Bride of the Lion Billionaire (BBW Fantasy Tiger Billionaire Shifter Romance) (New Adult College Paranormal Fantasy Romance, Paranormal Psychic Fantasy Shifter Short Stories) Mia Donovan
Lyra Sheppard is a tiger shifter who is basically forced to marry Tanner Cumberworth. He is a lion shifter and is a dominant, alpha personality who likes to get his way.

Falling in lust with Lyra at first sight, she turns him down so he goes above her head and persuades her family to force her to marry him per their shifter rules of chosen pairings. He knows she's his mate, but if she won't give him a chance to prove it, he has to take matters into his own hands.

Lyra isn't sure about the wedding, or Tanner, she's a hot-headed feisty woman who doesn't like being bossed around by anyone. She wasn't into men right now, but now her entire world has been shifted simply because a wealthy, powerful lion wants her to be his own personal catnip.

She's not a toy, and she has no problems speaking her mind about what she really thinks about the situation Tanner put her in.

Did Tanner ruin any chance of happiness between the two of them by forcing her to marry him before it's her idea? Can Lyra forgive him for forcing her to marry him, and learn to love him?

Is he really the asshole she thought he always was, or is there more to Tanner than meets the eye? Can the two of them find happiness together or will their personality's clash and prove it was a big mistake?
