Scandal: Family Ties (Scandal Series Book 2) Jean St. Claire
The highly-anticipated sequel to the #1 smash hit Scandal: Crossing Boundaries!

Sometimes blood ain't thicker than water...
Thirty-three year old Tianna Porter has got it like that. She has a successful doll business, a fancy car and a dream house. But even with all that going on there's still something missing in Tianna's life--A MAN.

Having given up all social activity to lift her business off the ground, Tia's love and sex life has taken a back seat. Tianna doesn't mind though, because being the strong, successful black woman that she is, she believes she doesn't need a man for shit! To hell with starting a family.

The problem is, her momma won't shut the hell up about her popping out some damn kids!

Across town, Tianna's cousin Keisha has lost everything; her job, her reputation and her nearly ten-year marriage. Now under strict house arrest for her scandalous crime, Keisha must depend on her boyfriend Zack, who is twelve years younger, to provide for her and her three kids.

Soon, cracks start to show in their two-year relationship as Keisha's insecurities come front and center. Combine that with their age difference and the difference in their cultures, there is only so much drama the interracial lovebirds' ill-fated romance can take before asses start to show.

As things start to get heated and Keisha faces retaliation from her bitter ex-husband, she begins to wonder if losing it all for her young boy toy was worth it.

Meanwhile, Tianna is suddenly forced to face reality when a dark secret from her past surfaces, threatening her successful doll company, her family, and her very life! Can desperate Tianna find a man that will love and protect her while saving her business at the same time?
