The House That Cleans Itself: Creative Solutions for a Clean and Orderly House in Less Time Than You Can Imagine Mindy Starns Clark

The House That Cleans Itself is a true housekeeping guide for the housekeeping-impaired! It boldly takes on the reasons behind chronic messiness and why ordinary home-organization books won't work. Using the methods of "horizontal thinking," this book teaches readers how to set up a home so efficiently and logically that it seems to clean itself.

More than a how-to book, *The House That Cleans Itself* also looks at what God has to say about cleanliness and order, and how He can inspire order in every reader's life in a fresh and unique way. For added fun, some of the tips Mindy uses come from research for her popular novels, *The Trouble with Tulip, Blind Dates Can Be Murder*, and *Elementary, My Dear Watkins.*
