A Threat to Justice, the second Old West novel from Chuck Norris and friends, finds Ezra Justice and his elite group of special operation soldiers having gone their separate ways just after the Civil War. But not for long. When General Sherman needs men to combat armed resistances against President Grant and his efforts to reconstruct America, Justice rides again.

This heroic action tale of good versus evil, with elements of faith and romance, takes the Justice Riders everywhere from the Ku Klux Klan-ridden deep South to the adventure-filled goldmines of California.
