Preventing Childhood Disorders, Substance Abuse, and Delinquency (Banff Conference on Behavioral Science Series)

`Increasingly in the past few years, there has been much public concern about crime, in particular crimes of violence, and the increase in aggression and anti-social behaviour among adolescents... The theme of this book is prevention and early intervention. It will be of interest to a wide readership... the book provides an excellent review of current thinking and research on prevention. It is full of imaginative initiatives and does not ignore the problems' - ***The Psychologist***

Outcome studies have shown that treatment programmes for child and adolescent social and behavioural problems, such as violence and substance abuse, do not work if administered too late. This volume presents the newest research on the ef
