The American South: A History (Volume 1) William J. Cooper Jr., Thomas E. Terrill
In The American South, Cooper and Terrill demonstrate their belief that it is impossible to divorce the history of the South from the history of the United States. Each volume includes a substantial biographical essay-completely updated for this edition-which provides the reader with a guide to literature on the history of the South. Coverage now includes the devastation of Hurricane Katrina in 2005, up-to-date analysis of the persistent racial divisions in the region, and the South's unanticipated role in the 2008 presidential primaries.
