Whargoul Dave Brockie
I Destroyed Your Life I Raped Your Wife I Am the Fucking Whargoul From the killing grounds of Stalingrad to the death camps of the holocaust. From torture chambers in Iraq to race riots in the United States, the Whargoul was there - killing and raping. It is a beast born in bullets and shrapnel, feeding off of pain, misery, and hard drugs. Cursed to wander the Earth without the hope of death, it is reborn again and again to spread the gospel of hate, abuse, and genocide. But what if it's not the only monster out there? What if there's something worse? From Dave Brockie, the twisted genius behind GWAR, comes a novel about the darkest days of the twentieth century. The modern world is dying and Brockie is here to put a bullet between its eyes and violate the corpse. This is all-out fucking war!
