Every Shallow Cut Tom Piccirilli

He's nameless, faceless, and has nothing left to lose—and now he has a gun.

Alone except for his beloved bulldog, Churchill, a despondent man who's failed at his career, his marriage, and his own simple hopes makes his way across the fierce American landscape and the spectacle of his own bitter past. As he heads home to his distant brother, he witnesses various tragedies and crimes which bring out the killer in him.

Tom Piccirilli brings us a suspense story for our current struggling times, taken directly from a broken heart. It is full of realism, grit, and a depth of the dark streets that give voice to the fears most of us can barely imagine. The terror of loss, the overwhelming dread of failure, the desperate push towards crime, the horror of missed-out, mediocre dreams. And the all-too-average explosive rage.
