Exile's Return (Guardians of the Crown Book 3) Alison Stuart

The breath-taking conclusion to Alison Stuart's English Civil War trilogy introduces a heroine with nothing left to lose and a hero with everything to gain…

England, 1659: Following the death of Cromwell, a new king is poised to ascend the throne of England. One by one, those once loyal to the crown begin to return ...

Imprisoned, exiled and tortured, fugitive Daniel Lovell returns to England, determined to kill the man who murdered his father. But his plans for revenge must wait, as the King has one last mission for him.

Agnes Fletcher's lover is dead, and when his two orphaned children are torn from her care by their scheming guardian, she finds herself alone and devastated by the loss. Unwilling to give up, Agnes desperately seeks anyone willing to accompany her on a perilous journey to save the children and return them to her care. She didn't plan on meeting the infamous Daniel Lovell. She didn't plan on falling in love.

Thrown together with separate quests – and competing obligations – Daniel and Agnes make their way from London to the English countryside, danger at every turn. When they are finally given the opportunity to seize everything they ever hoped for, will they find the peace they crave, or will their fledgling love be a final casualty of war?
