She Wears the Pants: Easy Sew-it-Yourself Fashion with an Edgy Urban Style Yuko Takada
Sew edgy, urban clothes with this stylish sewing book and add a touch of originality to your wardrobe.

More and more women are opting to make their own clothes, but most of the books on the market emphasize girly, feminine designs. *She Wears the Pants* is the first Japanese sewing book (in English) to focus on the increasingly popular "borrowed–from–the–boys" look. Already one of the best–known and reviewed sewing books in Japan, this sporty addition to the sew–it–yourself craze is poised to take the American DIY sewing market by storm.

Sometimes women are in the mood for clothes with strong, clean lines and casual sophistication—polish and simplicity without the frills. *She Wears the Pants* is the book for those times. A graduate of the Bunka Fashion Institute, Yuko Takada provides patterns and instructions for making twenty spare and streamlined wardrobe items, including:

- Versatile tops that can be either casual or dressy
- Jackets that are timeless and unique
- Dresses and skirts that are straight-line or draped
- Three different pants lengths, from culottes to full-length trousers
- And much, much more!

Patterns can be easily adjusted to suit every body size, and Takada shows readers how to select inexpensive, readily available fabrics and transform them into an elegant new wardrobe. Understated never looked so good!
